

ATTENTION PASSENGERS:

DART Staff will be enforcing a two cubic-foot limit on all packages brought onto the bus. Should a passenger board with more than two cubic-feet of packages, **the passenger will be charged for each additional seat used.**

Passengers have only three minutes to load packages and be seated. Drivers are required to assist passengers on and off the bus (curb to curb), but they are **not permitted** to help bring packages to the passenger's door.

On **Free Wednesdays**, senior/disabled passengers will ride for free, but will be charged for packages taking up additional seats.
